

# PROTECTING YOURSELF AND OTHERS FROM THE SPREAD COVID-19

## BEFORE EMBARKATION

If you have fever, cough or other respiratory **symptoms** **postpone your trip** and seek medical attention

## DURING YOUR TRIP

Make sure you **wear your mask** properly and avoid touching it. Clean your hands with alcohol-based hand rub or soap and water after discarding your mask

Regularly and thoroughly **clean your hands** with an alcohol-based hand rub or wash them with soap and water and avoid touching eyes, nose and mouth

**Cover your mouth and nose** with your bent elbow or tissue when you cough or sneeze. Then dispose of the used tissue immediately and wash your hands.

Maintain at least **1.5 meter distance** between yourself and others

**Avoid going to crowded areas**

**Avoid contact with ill people**

If you have fever, cough or other respiratory symptoms **inform a crew member** and seek medical attention

For further information please contact  
**210-5212054 or 1135**  
[www.eody.gov.gr](http://www.eody.gov.gr)

## **WE PROTECT OURSELVES AND OTHERS FROM CORONA VIRUS - WE STAY RESPONSIBLE!**

*Passengers shall not travel if they have symptoms of COVID-19 infection (cough, runny nose, fever, sore throat, shortness of breath and other respiratory symptoms) or have had contact with a COVID-19 patient within 14 days prior to the trip.*

### **1. BEFORE AND DURING THE BOARDING OF THE SHIP**

Passengers must comply with the following control measures during boarding:

- **Social Distancing:** A minimum distance of 1.5 meters between passengers (and simultaneous use of a mask<sup>1</sup>) should be observed. Individuals who cannot tolerate the long-term use of a mask due to respiratory diseases should keep a distance of more than 2 meters. The ship's crew will oversee the boarding process and scrutinize the respect of the foreseen distances.
- Completing the "**Pre-boarding**" form and submit it to the ship's Chief Purser along with their ticket, when boarding, prior to the ship's departure

### **2. DURING THE TRIP**

Passengers must necessarily comply with the following precautionary measures during the trip:

- We keep wearing our mask<sup>1</sup> both in indoor areas as well as on the deck areas of the ship. We make sure that the mouth and nose are covered, we do not touch the mask while wearing it, we dispose off the mask immediately into a trash bin after use and we wash our hands.
- We cover our coughing or sneezing with the inside of the elbow or with a paper towel which we dispose off immediately into a trash bin.
- We wash our hands regularly and thoroughly with soap and water or an alcoholic solution and avoid contact of the hands with the face (eyes, nose, mouth). The use of gloves does not replace hand washing.
- We keep safety distances from other passengers around us (> 1.5 meters).
- We avoid crowded spaces.
- We avoid contact with people who have symptoms of a respiratory infection.

Please see the respective flyer of the National Public Health Organization.

- It is recommended that passengers arrive at the port of departure on time to facilitate the check-in process before boarding.
- In case passengers experience respiratory symptoms during the trip, they must report it immediately to the ship's crew.
- If passengers develop respiratory symptoms after the trip, they should seek medical help immediately and inform their doctor about the history of the trip.

### **3. DENIAL OF BOARDING**

Based on the above, if the crew members who carry out the control measures during the boarding assess that:

1. the passenger has symptoms which indicate a COVID-19 infection or
2. the passengers' answers on the "Pre-boarding" form before boarding indicate that there has been contact with a person with COVID-19 infection or
3. the passenger refuses to use a mask<sup>1</sup> on the ship

the passenger will be denied boarding the ship and the applicable provisions for the use of tickets at a later date or for their cancellation will apply.

In cases (1) and (2) the trip will be denied for 14 days or if the passenger has been ill he/she will have to provide a medical certificate stating that the criteria for the termination of precautionary measures for a patient with COVID-19 are met as defined by the National Public Health Organization. # Pre-boarding health declaration questionnaire

(The questionnaire is to be completed by all adults before embarkation)

Name of Vessel:

Shipping Company:

Date and time of itinerary:

Port of disembarkation:

--	--	--	--

Contact telephone number for the next 14 days after disembarkation:

--

First Name & Surname as shown  
in the identification Card/ Passport:

Father's name:

Seat:

Number of Aircraft  
Type Seat/ Cabin:

		A) ECONOMY B) AIRCRAFT TYPE C) BUSINESS D) CABIN	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	
--	--	---	--	--

First Name & Surname of all children  
travelling with you who are  
under 18 years old:

Father's name:

Seat:

Number of Aircraft  
Type Seat/ Cabin:

		A) ECONOMY B) AIRCRAFT TYPE C) BUSINESS D) CABIN	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	
--	--	---	--	--

Within the past 14 days have you or has any person listed above:

YES NO

- Presented sudden onset of symptoms of fever or cough or difficulty in breathing? ..... ☐ ☐
- Had close contact with anyone diagnosed as having coronavirus COVID-19..... ☐ ☐
- Provided care for someone with COVID-19 or worked with a health care worker  
infected with COVID-19?..... ☐ ☐
- Visited or stayed in close proximity to anyone with COVID-19?..... ☐ ☐
- Worked in close proximity to or shared the same classroom environment with  
someone with COVID-19? ..... ☐ ☐
- Travelled with a patient with COVID-19 in any kind of conveyance?..... ☐ ☐
- Lived in the same household as a patient with COVID-19? ..... ☐ ☐

## Very important!

The use of a surgical or tissue mask during boarding/disembarking  
and during the trip is mandatory.
